

Back to School

Dear Parents and Guardians,

Alkali Creek PTA would like to welcome you to the 2014-2015 school year. We are very happy to welcome new families into our school and welcome back our old friends. Here at Alkali we are very fortunate to have many parent volunteers who help us enrich the lives of all the students at Alkali Creek.

Being parents ourselves we know that time is important to everyone, and that is why we have **only TWO (2) fundraisers** during the entire school year. The first of which is **COW-A-BUNGA**. This year **COW-A-BUNGA** will fall on **Friday, October 10th**. If you are interested in helping, please let one of our PTA officers know. October 10th is right around the corner and we appreciate any help we can get. We have found having only 2 fundraisers per year to be very successful. During the past 3 school years Alkali Creek PTA has been able to purchase playground equipment for the secondary side which will be installed soon and 50 new Apple computers plus charging carts which move from classroom to classroom.

We hope that you will enjoy the year here with us Alkali Creek Elementary. If you have any questions, concerns, or suggestions, please don't hesitate to contact us.

Alkali Creek PTA

President: Laura Smith 406-367-3515

Vice President: Malinda Christensen 406-534-1544

*****Secretary: Vacant** If your interested please contact Laura Smith
